ORDER:

In the representation 3rd read above, the Andhra Pradesh Nursing Institutions Management Association (APNIMA) has represented that due to the rigidity of A.P.EAPCET, which was introduced in the G.O., 2nd read above for admission into B.Sc., (Nursing), many of the students are losing their opportunity to get admission into B.Sc (Nursing), as the most of the nursing aspirants are coming from the rural areas. Further, stated that the neighboring states of Telangana, Karnataka, Tamilnadu and Kerala are making admissions into B.Sc (Nursing) without clause of any entrance examinations and only with merit marks in intermediate or equivalent examination. They have therefore, requested the Government to give relaxation to fill the Management seats and left over Convener seats without APEAPCET or NEET entrance exam and with intermediate course with merit in science subjects.

2. In the circumstances reported by the Director of Medical Education, A.P/the Registrar, Dr.NTR UHS/ the Registrar, A.P.Nurses & Midwives Council in the references 4th to 6th read above, the Government after careful examination of the matter, hereby accord permission to fill up the left over convenor Quota seats and balance Management seats for B.Sc

(P.T.O)
